

Please help us show support for pygmy loris at a meeting with the Vietnamese Government on the 1st August 2015

Cut out the mask, add some glitter if you like and take a selfie! Please also cut out the flag and share with us where you are from - then share on our [facebook](#) or email to daotien@go-east.org. On the evening of the meeting we will hold a small loris festival with shadow puppetry, poetry and a video showing your support for these amazing primates and how important it is they remain in the forests of Vietnam.
